

BULLETIN #1 – 2019

Dear Parents/Caregivers

Welcome to the new school year at Long Street Primary School. I trust you had a wonderful Christmas break with family and friends.

Day 1 started off extremely well with many eager students racing to get to their classrooms. For those students who struggled with the first day, the encouraging thing is tomorrow is a new day and they do not have to do the 1st day again this year. Celebrate the success they had today and encourage them to do more tomorrow.

Uniforms

Late last year Governing Council approved some changes to the school uniform policy. This policy will be uploaded to our website later this week. The school colours remain the same (bottle green, white and black) but some changes have been added to this policy. The most significant being that hoodies can now be worn to school but must be in school colours and must not show big logos. The string must also be removed to stop a possible choking hazard. Detailed information can be found in the uniform policy. A copy will be left in the front office by the end of the week.

Canteen

New menus went home earlier this week. Please throw away the last menu as some items may have changed in price. The new 2019 menu is printed on green paper. We are reintroducing slushies to the canteen menu @ \$2.00 per cup. We look forward to your continual support.

Staff

This year we welcome Miss Hunt into room 6 for semester 1. Mrs White joins our staff 3 days a week in Room 4, team teaching with Mrs Janssen. We also welcome back Mrs Hills and Mrs Janssen. Mrs Frisby also returns from maternity leave as our Senior Leader within the primary sector of our school. We also welcome back teaching and support staff who were with us in 2018. Congratulations to Mrs Turpin who has been appointed Senior Leader Junior Primary.

Staff are available before and after school for you to speak with. Appointments can be made for you by contacting Lisette Fisher in the front office. (8645 8303).

Changes

A number of differences have been scheduled into the site for 2019. One big difference is the way we communicate personal growth and progress for your child. This will be done on a number of occasions at different times of the year. Our goal is to improve the way we work together with families to improve the learning outcomes for your child. Further information will be provided to families in the near future.
