

## Tuesday, 29 May 2018 Bulletin # 2 – 2018

Welcome to Bulletin 2 for 2018. As presented in week 3's newsletter this year's Annual Budget has been finalised and signed off by Governing Council. The Covered Outdoor Learning Area (COLA) is in the discussion phase with the sites Facilities Manager. The next stage moves to the architects and engineers for design, then to costing. We have identified the amount of money we will commit to this project. If the quote returns and is in excess of the price we have specified the project will cease to be implemented.

### This is an example of a school COLA

On behalf of Mrs O'Neil she would like to sincerely thank everyone for participating in the NF Walk and for donating money towards the Children's Tumour Foundation. This money is sent straight to the Children's Tumour Foundation for research to continue to find a cure for people diagnosed with Neurofibromatosis.

**Thank you - From Noah**

**School fees** are now **overdue**. If you have not paid your fees please speak with Raylene in the finance office as soon as possible to make arrangements for them to be paid. Payment plans are available.

**Reconciliation week** is happening across Australia this week. Our school has a number of activities planned by Mia Ledington and Bec Page for students to actively celebrate this very important and significant celebration. We hope the students enjoy the week.

**Fun Run** money is due back on Friday June 1<sup>st</sup>. Once this money is collected we can order the student's prizes. They will take approximately 3 weeks to arrive back at school. The prizes will be distributed after this time. If there are any issues/concerns with the prizes please speak with the Principal who will make contact with the organising firm.

**Report Cards** – This year (with Governing Council support) we have changed the way the report card will look. Thank you to Miss Turpin, Ms Kouma and Mrs Fisher for their hard work in this project.
