Family Fun Corner Question: Week 9

In what year was NAPLAN first introduced?

Name: _____________________________
Room:________    Answer:______________

Wow, we cannot believe it is almost the end of Term 1 already. We have had a busy term with Dudley the Story Dog visiting weekly, swimming lessons, Room 10 and 11 Camp, as well as all of the learning that has been happening!

End of Term Progress Reports will be sent home in Week 11. Please remember that if you have any questions about your child, make a time to see the class teacher to discuss these. The first point-of-call should always be the class teacher.

We are now well into the second year of our Corwin Visible Learning journey, our next focus is as a community we would like to come up with a common definition of what makes an effective learner. We have already started this process with staff, student and family surveys. Please complete the survey accompanying this newsletter to have your say.

Congratulations to all SRC members for 2018!

Inside this newsletter are 2 Corwin Learning surveys. The Student Voice survey is a follow up survey from the survey completed towards the end of last year to see if we have made progress and where we need to go with Student Voice at Long Street Primary School. There is also an Effective Learners survey which is our next step on our Corwin Learning journey. The whole school community will be asked to complete these surveys in order to guide our practise. Please fill in both surveys and return them to the front office by the end of Week 11 Term 1.

If you have any questions about the information above please don’t hesitate to come and see me.

Student Wellbeing Leader News

This year we will be having a Student Representative Council at Long Street Primary School. This will mean that there will be a girl and boy SRC member from each class in the school and a SRC executive group made up of Year 6/7 students who will be in charge of organising major things in the school and running meetings. We are very proud of our SRC members and the amazing role models they are around the school. The SRC members for 2018 at Long Street Primary School are:

Room 1—Josephine Heal & Caden Dalziel
Room 2—Sophia Buiton & Connor Ebdell
Room 3—Chloe Papadontas & Tyler Tonkin
Room 4—Keeley Conley & Mason Taylor-Buttfant
Room 5—Maddy Rudd & Kaiden Templeton
Room 14—Olivia Papadontas & Sean Hines
Room 15—Alison Agius & Ryan Jordison
Room 10—Sophie Papadontas & Elyjah Edwards
Room 11—Taiah Davidson & Matthew Lapham
Room 13—Brodie Prince

SRC Executive Group Members

Room 12—Hayley Edmondson, Lily Wright, Junior Horlor, Chelsea Rice, Gabby Forbes, Connor Davila & Maddi Ward

Senior Leader News

BULLYING IS AN ACT OF CRUELTY.
It is a small person who tries to feel bigger at the expense of others.

Please SMS us on 0499 444 438 if your child is going to be absent. You need to include your child’s name, room number and the reason for their absence (eg. family or illness).
News from the Principal

As the term draws to a close I would like to celebrate a number of positive outcomes.

This term we welcomed a high number of new staff to our team. They have worked really hard and have made some excellent progress with their students. They will continue to enhance the learning outcomes for our students and continue to develop their skills.

This term we also welcomed over 20 new students to Long Street and wish them and their families every success whilst they are with us. Later in the term you will receive a Fun Run sponsorship form for your child to gain sponsorship from family and friends. Please ensure your child is not door knocking for sponsors as this practice can be dangerous. At the end of collecting sponsors your child will participate in a school Fun Run held at the school. Incentive prizes are awarded to students for raising money. The more they raise the higher level of prize they can select. The school retains 60% of all money raised by the students. Please support this fundraising effort.

Governing Council will meet in the 2nd week of Term 2. If you have any agenda items please pass them onto Lisette on the front desk who will ensure they are passed onto a Council member.

Have a wonderful holiday break and please be safe on the roads if you are travelling.

What’s Happening in Room 10?

This week, Rooms 10 and 11 have been having a wonderful time on camp at Arbury Park.

We have been actively involved in lots of exciting activities including orienteering, teamwork games and exercises, constructing nesting boxes and hiking through the Mount Lofty area.

We have been playing around in the creeks looking for different habitats and wildlife, which has built on from our Science lessons on living things and sustainability.

Students have been working together on developing teamwork skills, collaboration and sharing to complete set tasks and challenges successfully.

Students thoroughly enjoyed the venue and were very well behaved and respectful throughout the entire 3-night camp.
