Behaviour
Our school prides itself on practising and living the values of Respect, Honesty, Responsibility and Excellence. Students are expected to follow the LSPS Code of Behaviour at all times, including extra-curricular events.

Students’ participation in extra-curricular activities is based on behaviour shown at school in the lead up to the particular event. The decision to remove a student from an activity or event due to inappropriate behaviour can be made with input from the student’s teacher, coach and leadership member.

Suspension – If the suspension is given following selection into a team or event, there will be automatic exclusion from the extra curricula activity.

Attendance
Students must attend school on a regular basis and must attend training or rehearsals as required. Students must attend school on the day of the activity or concert etc., to be allowed to participate in the extra-curricular activity, even if to be held at night.

These additional rules apply for the following activities:

Student Voice Committee – If a Student Voice representative receives a suspension, they are automatically excluded from continuing on the Student Voice Committee. Similarly, two Take-Home consequences and/or two Internal Suspensions (or a combination of both) will result in automatic removal from the Student Voice Committee.

Captains/Vice Captains for Sport’s Day – Students are selected by peers after giving speech on qualities of captaincy. Sport’s Committee and Leadership may veto vote, or remove student for inappropriate behaviour.

SAPSASA and Interschool Sports – As above info plus:
Year 6 and Yr 7 students have priority selection over other year levels. Year 5’s are invited to try out and if numbers are low may be selected. SAPSASA and Interschool manager of team (even if not from LSPS) may remove student from team with the Whyalla District Convenor’s approval. This can only happen after selection has taken place.

Choir – Inappropriate behaviour during rehearsal may result in removal. This will include unwillingness to participate appropriately (as decided by Choir teacher) at rehearsals.
