

BULLETIN # 4 (04/06/2019)

Dear Parents/Caregivers

Social Acceptance

Long Street Primary School is a Category 2 public school. All public schools follow a strict set of rules and processes around inclusion for all children. Social inclusion is the process of improving terms on which individuals and groups take part in society – improving the ability, opportunity, and dignity for individuals and groups. We pride ourselves on the way we include and accept all students and families into our school.

Tie Dying Disco Shirts

The initial process outlined by Miss Day would have students involved in the process of dying their own shirts. Unfortunately due to issues outside of anyone's control we were not able to make this happen on this occasion. The good news is we were able to release a number of staff who have completed the shirts for the students to wear to the disco. Special thanks to Sheri, Raylene, Miss Day, Bec Page and Lisette for their hard work in making this happen for our students.

This year we also have a colour run planned which coincides with the annual school Fun Run. This will provide another opportunity for your children to wear these shirts to school.

Care instructions

This shirt has been pre- rinsed and can be worn without washing.

Due to using food colouring to dye this shirt, please be aware that it will fade over time.

Wash separately for the first 3 washes.

School Uniform

At Governing Council meeting on Monday night it was raised that students are beginning to be out of school uniform; choosing to wear non-school colours on a consistent basis. Can I please remind you we do have a school uniform policy and will be enforcing school colours to be worn at all times.

Congratulations to our year 7 students who received their Year 7 jumpers yesterday. They look fantastic and support our year 7's to enjoy their last year with us. Special thanks to Raylene for her hard work during this process.

Pupil Free Day

A reminder that this Friday 7/06/2019 is a Pupil Free day. Students **do not** attend school this day. Enjoy the long weekend.

Bryan Rotherham
