BULLETIN #4

Welcome to our latest Bulletin. I trust you are well and are keeping safe in these challenging times. It still remains uncertain around moving out of current rules and expectations.

SPORTS DAY

Sports day is fast approaching and Mr Miller has been working hard to ensure the students have a great event. This will be a **student only event** in line with the current expectations set by the Department.

This year we **will not** be serving a BBQ to the students and all food and drink options will go through the canteen. To assist in the preparation of ordering food we will set up a pre-order system to allow Sandra the time she will need to ensure she has the right amount of stock on hand. Cans of drink will also be available to purchase on this day. If your child would like a can of drink as a part of their lunch order it is essential to order this at the same time. A pre-order form with food options will be sent out next week to support Sandra.

Hot Weather

With Winter officially over we begin to move in to the hotter periods of the school year. It is vitally important that we follow the school Dress Code Policy and make sure our students wear the appropriate clothing to keep them safe from higher UV levels. Short shorts are creeping back into school. Shorts needs to be an appropriate length to ensure our children are protected against the sun at all times. Shoulders need to be covered at all times as well. Hats must be worn at all times when students are involved in outside activities and during play times. Hats must be graffiti free and not ripped or cut please.

Colour Explosion

Another Colour Explosion event has been a huge success at Long Street. A massive thank you to Mrs O'Neil for her organisation and management of this event. It is a big task to ensure the students have a great experience. Thank you to Raylene who also supported the running of this event. Prizes have been ordered and Mrs O'Neil will keep you posted as to when they will be arriving.

Our students raised a huge amount of money for the school. A final figure is still being worked on and will be celebrated in the near future.

Bryan Rotherham
Principal
