Non-compliance with the dress code

If a child arrives at school without wearing school uniform he/she will be asked to change into a school uniform provided by the front office for the day, if available. This uniform will be required to be returned at the end of the day.

Non-compliant hats will be removed and children asked to play in the shade. In conjunction with this, the following steps will apply:

Step 1. Teacher to speak to the student. Students change into spare school uniform for the day and return it to the office at the end of the day. Note sent home to parents/caregivers.

Step 2. Phone call to the parents/caregivers. Discuss reasons for non-compliance and assist as required.

Step 3. Continual contact with parents/caregivers to resolve the issue.

Exemptions: An explanation is required to be provided to the principal if your child is not following the school dress code. Exemptions can only be granted by the principal.
