

Long Street Loop

Long Street Primary School

Principal's Message

I can't believe we are nearing the end of another busy term!

Mrs Langdon and Tasha, ACEO, recently took three students to the Aboriginal STEM Congress in Adelaide. We thank them for allowing the girls to experience this amazing opportunity. I would also like to thank Nicole Utting for her work throughout the year with our Long Street choir group. Last week they had their highly successful final performances at the Middleback Theatre. Congratulations and thank you to all involved.

Due to inclement weather, we ran a modified Sports Day program in Week 7. We had a great turn out of students and families in their team colours. Well done to **Kulan** who won the overall Sports Day Shield and to **Banjora** for winning the Attitude Shield.

Last week we farewelled Julie Thomas. Julie has been at the school for almost 10 years as a Curriculum Student Support Officer (SSO). We wish her all the best on her future endeavours. We have also welcomed two new staff members: Kelsey Paveltish, who teaches Room 11 on Thursdays and Fridays, and Sandy Woolford, joining the SSO team.

Currently, students from Years 2-6 are participating in the annual Progressive Achievement (PAT) Tests for Reading Comprehension and Mathematics. These are online tests aligned to the Australian Curriculum that give us valuable information on student achievement and progress.

It is School Photo Day on Tuesday, Week 10. Orders are to be placed online by Tuesday 24th September. Family photo envelopes and codes can be collected from the Front Office to place an order.
